A MAJESTIC SHIP FOR A NEW ERA

Introducing *ms Koningsdam*, Holland America Line's new 2,650-guest ship arriving April 2016. The first in a new era of Pinnacle-class cruising, she will carry forward the signature style for which Holland America Line is known, while raising the bar for 21st-century elegance. Her name reflects that tradition, as well as a salute to the future. "Koning" is the Dutch word for king — a salute to King Willem-Alexander, the Netherlands' first king in more than a century, while 'dam' has been a hallmark of Holland America Line vessel names since 1883.

Brilliant hospitality designer Adam D. Tihany and legendary ship architect Bjørn Storbraaten have teamed up to explore new ways to blend our rich heritage with forward thinking design. Their touchstones: light-filled spaces, visual drama, and beautiful interiors inspired by the fluid curves of musical instruments.

Come take your place in history
as *ms Koningsdam* sails in 2016.
