

PERU DAKAR 2018

Lima – Paracas – Ica – Nazca – Marcona – Nazca – Lima

08 days / 07 nights

Itinerary

Day 01: Jan 04, 2018: ... / Lima

Welcome to Peru!

Upon arrival at the International Airport of Lima (Jorge Chavez) a representative will be awaiting for you, then transfer to hotel. Arrival & Check in. A short briefing about the expedition and the usage of the 4x4 units, as well as safety regulations etc. Overnight. (-)

Note: Check In 15:00 Hrs

Day 02: Jan 05, 2018: Lima – Paracas – Ica (Total 274 Kms)

Breakfast at hotel.

Early departure at 06:00 hours with 4x4 units with direction to the city of Paracas. On route, visit the archaeological site of “Tambo Colorado” which was an Inca settlement (1450 A.D.) located in the province of Pisco. The name was given because of the predominance of red in their buildings. It was one of the most important centers established by the Incas on the coast. It is a set of buildings made of mud walls and adobes; among them are the best-preserved ruins of Peru. We continue with the visit to the National Reserve of Paracas; protected area, which holds many protected bird species. Transfer to Ica city and check in hotel. Overnight in Ica. (B)

Day 03: Jan 06, 2018: Ica – Pisco - Ica

Breakfast at hotel.

At fixed time, transfer to the observation point where you will see the arrival of competitors to the first stage of the race – Snacks included. Then, transfer to the hotel and overnight in Ica. (B, BXL)

Day 04: Jan 07, 2018: Ica – Nazca (Total 161 Kms)

Breakfast at hotel.

Transfer to Nazca for an over flight of the Nazca Lines. This huge set of geoglyphs has a network of lines and drawings of figures of animals and plants attributed to the Nazca culture that cover an area of approximately 350 km². Among the main figures, we can appreciate the Hummingbird, the Dog, the Monkey, the Astronaut, etc. The German, Maria Reiche, dedicated 50 years of her life to the study and research of the place, concluding that it was an astronomical calendar.

Return to the hotel and overnight in Nazca. (B)

Day 05: Jan 08, 2018:	Nazca – Marcona - Nazca
------------------------------	--------------------------------

Breakfast at hotel.

At fixed time, transfer to the observation point where you will see the arrival of competitors to the second stage of the race – Snacks included. Return to hotel in Nazca. Overnight (B, BXL)

Day 06: Jan 09, 2018:	Nazca – San Fernando + San Juan de Marcona – Nazca
------------------------------	---

Breakfast at hotel.

Early in the morning, we will drive our vehicle south along the Pan-American Highway for approximately 20 kilometers and then take a 50-kilometer carriageway that will take us to the San Fernando National Reserve, through one of the driest deserts in the World, watching on the way a beautiful lunar landscape full of stony hills. After about 1 and a half hours, we will begin to descend to the shores of the wonderful Pacific Ocean. This wonderful bay is the refuge of a variety of animals, such as the great Andean Condor, sea otter, Humboldt penguins, tendrils, cormorants, Peruvian pelicans and thousands of sea lions. A box lunch is included.

After lunch, we departure to Punta San Juan de Marcona National Reserve, crossing the city and arrive until the peninsula that presents a real zone of beaches where we will be able to appreciate different rock formations that by their form resemble to different animals like the call The Elephant, the Islet La Tortuga, etc. Return to the hotel in Nazca. Overnight in Nazca. (B, BXL)
